

Ken Kozaczka

SVP of Engineering

In this role, Ken spearheads the Wylei technology development. Ken has a reputation and long track record as a technical master and problem solver. His expertise encompasses the latest web and data technologies.

Technical co-founder of Wylei, Ken spent most of his career in start-ups. His previous venture, TapJS, was acquired by AppMobi in 2011.

Ken holds a bachelor's of science degree in computer information systems from SUNY Buffalo State where he graduated magna cum laude. Ken spends spare time kayaking on Lake Erie. He and his wife of 14 years, raise their three children in Western New York. Ken has turned the family's backyard into a "ninja gym" where he spends as much time as possible on the weekends with his kids. Ken is an avid edible plant enthusiast and can identify more than 30 wild edible plants. Ken actively shares this passion with family and friends.
